

Thing 3 - Why Digital? Self-assessment.

On the scale below, please rate yourself on the following three metrics.

Capability – the extent to which you feel you have a broad range of digital capabilities and skills.

Confidence – the extent to which you feel you have the confidence to apply your digital capabilities.

Relevance – the extent to which you feel that your digital capabilities are relevant to your current role.

	1 - Very Low	2 - Low	3 - Average	4 - High	5 – Very High
Capability					
Confidence					
Relevance					

Your blog entry for this thing should make reference to your scoring of the above.
